## PRESS RELEASE

---

**FOR IMMEDIATE RELEASE:  
OCTOBER 9, 2008**

**Eastbrook Homes, an energy star® leader, announces twilight tours**

GRAND RAPIDS, MI - Eastbrook Homes is pleased to announce the start of the “Eastbrook Homes Twilight Tours.” The Twilight Tours will take place every Thursday evening from 5-7 pm beginning October 16 and will kick off with a WOOD radio 105.7 radio remote. “We have a dual goal with this.” Said Bob Sorensen of Eastbrook Homes. “First we want to provide a convenient time to visit our models for ‘time-strapped’ customers. Second, In 2008 Eastbrook Homes has built 13% of all new Energy Star® homes in the State of Michigan – more homes than any other builder.” Our goal is to show people how an Eastbrook home can save them money in comparison to a home not built with the same Energy Star Plus® benefits. With heating costs expected to skyrocket and family budgets squeezed, Eastbrook Homes believes energy efficiency is more important now than ever, and will continue to be paramount to buyers and homeowners. “We’re excited about our future in the building business” said Sorensen. Although this is a challenging time, we are constantly trying to improve efficiencies and think of new ways to serve our customers. Now is the absolute best time to buy a new Eastbrook home!”

For more than 40 years, Eastbrook Homes has offered West Michigan home buyers exceptional neighborhoods, incomparable value, inspiring choices and extraordinary service. The company’s Grand Rapids and Lakeshore communities include Ada Moorings, Arbor Hills, Bailey’s Grove, Cannon Farms, Cooks Crossing, Fairmount Square, Hathaway Lakes, Lowing Woods, the Meadows of Cannon Farms, Saddle Ridge and Windflower Bay, as well as the Michael McGraw community of Stoneshire in Ada.
