

Better by Design . . .

“Every homeowner deserves to live within an exceptional neighborhood in a home of incomparable value.” Says Eastbrook Homes CEO Mick McGraw. “Customers should expect uncompromising quality in their home and extraordinary service down the road. That is what my team strives to give them each and every day.”

Over 40 years of building the American dream...

Now more than ever, your builders stability is paramount in your decision making. For over 40 years Eastbrook Homes has been offering West Michigan home buyers exceptional neighborhoods, incomparable value, inspiring choices and extraordinary service. McGraw challenges every team member to delight customers and build each home as if it were their own. Since its beginning as Eastbrook builders in 1967, Eastbrook has redefined the role of a residential builder. We continue our ongoing commitment to building homes with outstanding craftsmanship, exceptional value and award winning customer service. Eastbrook Homes is ***Better by Design.***

Your Community...

Eastbrook Homes builds artfully planned communities. From Green practices (preservation of the natural environment for our future generations) to building and developing every community with the end in mind, Eastbrook Communities are exceptional. Every community is designed to promote and encourage healthy living, be it through walking trails, Community Centers, pools, parks or ponds the intent is to encourage comfortable, healthy and friendly environments where you will call home. All of this serves to create true hometowns where neighbors know one another and find a true sense of community. Another reason Eastbrook Homes is ***Better by Design.***

Building a solid foundation and attention to detail...

From the beginning to the completion of your home's construction, there is literally hundreds of years of experience going into creating your new home. Experience begets more knowledge, which allows us to bring best practices and technologies to every home we build. Accomplishments like being the leading [Energy Star®](#) builder in the state of Michigan, [Green Built™ Michigan](#), [Eliant](#) national award winner are but a few recent examples of Eastbrook's performance level. And these efforts are direct benefits to our homeowners. [Energy Star®](#) practices save our homeowners money on utility bills everyday. As a member of [Green Built™ Michigan](#), Eastbrook Homes incorporates considerations and resource efficiency into every step of the building process to maximize sustainability. The Eastbrook Experience...

It is about the ride. From the day you meet one of our sales team professionals, to the day we conclude our team walk, your experience is our focus. The Nationally recognized Eastbrook Home Creation Studio is truly world class. The 4,000 sq. ft [Design Center](#) features state-of-the-art kitchens, entertaining islands, interior finishes, exterior trim, siding options plus home theatre systems. Everything you could possibly consider for your new home and more. “Our main goal is to provide our buyers with a stimulating, fun and stress free environment where they can truly personalize their homes within their specific budget.” Says Ann Wierengo, ASID.
