

Eastbrook H O M E S

Better by Design. . .

This community is conveniently located on M-104, just west of the I-96 Spring Lake exit and is close to work and play! Hathaway Lakes is less than thirty minutes from downtown Grand Rapids, yet has the feel of a small lakeshore community. It features Countryside, Hometown, Americana and Designer homes as well as ranch condominiums.

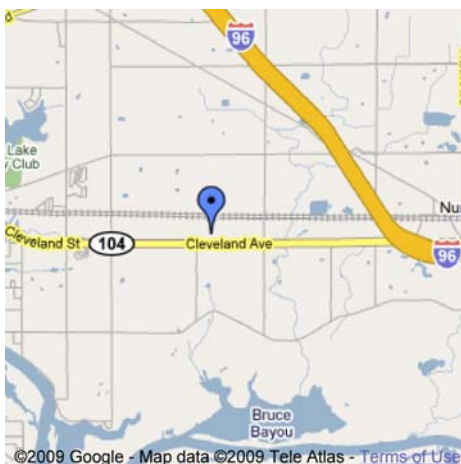

The beautiful new Hathaway Lakes clubhouse is newly completed and offers an exercise room and comfortable space, great for residents to be host to parties and gatherings. Come check out this beautiful facility. A pool is planned to add to this already exciting community.

Located within both [Fruitport](#) and [Spring Lake](#) schools, Hathaway Lakes also offers great educational opportunities.
