

Eastbrook H O M E S

Better by Design. . .

Located in Jenison, near 36th Avenue and Bauer Road, this new Eastbrook community features a beautiful setting. From the stunning entryway to the scenic nature trails with its footbridges winding through protected wetlands, Lowing Woods is a place to call home. Hometown, Americana, and Designer homes are all available. Some phases are already selling out, but there is still opportunity to build your dream home here.

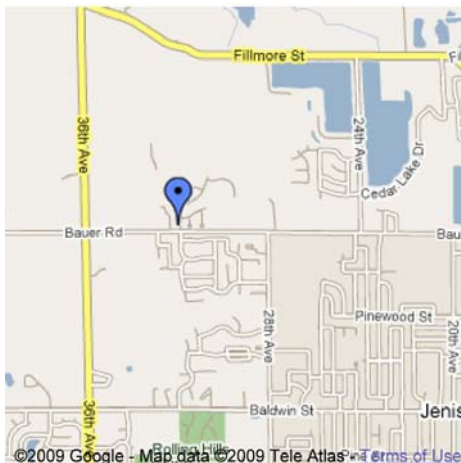

Lowing Woods has been planned from the beginning to be the stellar community it has become. Sidewalks will line the carefully planned, lighted streetscape to allow a safe environment for your family to walk to the soccer field, playgrounds, future community pool, several cul-de-sacs and tot lots.

Close to Hagar Park, RiverTown Crossings and other entertaining and dining options, this community lies within both the [Jenison](#) and [Hudsonville](#) school districts. It is also convenient to several private schools including Freedom Baptist Schools and Unity Christian High.

A great place to call home...

- Stunning Entryway
- Rolling Hills and Wooded Wetlands
- Close to shopping, recreation, & parks
- Scenic nature trails with footbridges
- Future Pool, Clubhouse, soccer fields, and Tot Lot
- Jenison & Hudsonville Schools
