

Better by Design. . .

Saddle Ridge boasts one of the most scenic vistas in West Michigan. With its commanding view of the Rouge River valley, Saddle Ridge sits on 200 acres just North of Grand Rapids in Algoma Township.

Whether you are strolling the nature trails to the river, playing with children at the community playground or simply enjoying the tree-lined streets, you will experience hometown American living at its best.

Saddle Ridge lies within the [Rockford School District](#) and is close to major shopping venues. This master planned community located just west of 131 Rockford exit is close to everything your family needs. Start with one of our award-winning floorplans and customize it to meet your family's individual needs. Eastbrook Homes has an exceptional team to help you every step of the way.
